

# Social Engineering

1. Get rich quick, get a big dick  
enter your password, because I  
really like to know you

Refrain: its just social engineering  
i'm not lying to you  
its just social engineering  
i really want the best for you

2. i am your friend, i am your boss  
i am a prince, i am alone  
i am your webcam  
i know everything

Refrain: its just social engineering  
i'm not lying to you  
its just social engineering  
i really want the best for you

3. i am your chance, i am your dream  
i'm very beautiful  
i'm gone real soon  
you must act fast

i accept bitcoin and credit cards
